

Lunchtime online CPD for palliative care professionals

# CARer-ADministration of as-needed sub-cutaneous medication for breakthrough symptoms in home-based dying patients (CARIAD)

Dr Marlise Poolman,  
Clinical Senior Lecturer in Palliative Medicine, Bangor University

Wednesday 7<sup>th</sup> July 2021 13:00-14:00

**Lunch & Learn palliative care webinars: what are these sessions for and who are they aimed at?**

The aim of these webinars is to provide free, quality, and accessible Continual Professional Development (CPD) for palliative care professionals in Wales. If you have ideas for potential topics and speakers for future sessions we are keen to hear from you.
